SHARIAH CERTIFICATE FOR ZAKAT FUNDS- FATIMA HANIF FOUNDATION

Introduction:

Fatima Hanif Foundation is a non-profit organization dedicated to helping underprivileged communities by providing healthcare, education, and social support. The foundation aims to bridge the gap for those who lack access to basic services.

FHF's Mission: To empower communities through compassionate healthcare and education, offering support to those in need with excellence and dedication.

FHF's Vision: A society where every underprivileged person has access to healthcare, education, and support, enabling them to grow and achieve their dreams.

Method of utilization of Zakat:

The financial needs of FHF are being covered through both general donations and Zakat contributions from individuals and corporations in Pakistan and around the globe. The Zakat received by FHF is allocated towards the welfare of deserving persons. The management of FHF assesses the financial status of applicants to determine their eligibility for Zakat and subsequently receives authorization from eligible beneficiaries to collect Zakat on their behalf. This constructive tamleek (ownership) arrangement allows FHF to collect zakat on behalf of beneficiaries and utilize it appropriately in accordance with their eligible needs.

Shariah Ruling:

In order to ensure adherence to Shariah principles throughout the entire Zakat process, our company has been designated as an independent Zakat Consultant. Our responsibility is to thoroughly examine all zakat-related documents and procedures. We have conducted a comprehensive review, we are pleased to confirm that Fatima Hanif Foundation collects and utilizes zakat funds in compliance with Shariah laws and regulations.

May Allah Almighty forgive any mistake in this assignment and grant the management the best reward for their services. Aameen
